

A photograph of a factory floor with a bright green polyurethane (PU) coating. The floor is highly reflective, showing clear reflections of the overhead lights. In the background, there is industrial machinery, including a large metal conveyor system. A long, narrow metal grate runs across the foreground, partially covering the green floor.

**PU**

A photograph of a factory floor with a grey epoxy coating. The floor is very smooth and highly reflective, mirroring the surrounding environment. A prominent yellow line is painted on the floor, forming a corner. In the upper portion of the image, a red-painted area is visible, separated from the grey area by a yellow line.
